

viséo series

Technical drawing of a door assembly showing dimensions and components.

Dimensions:

- FH=2047
- FLH=2035
- OH=2023
- DH=2005
- ストライク中心 = 枠下端 ~ 933.5
- レバー中心 = 扉下端 ~ 953.5
- 24 OW=707/727/802
- 4 DW=699/719/794
- 217
- 275

Components:

- BS51 (Door handle)
- ガラス別紙 (Glass specification sheet)

The diagram illustrates a door frame and panel assembly. The vertical dimensions on the left indicate various heights from a reference level (▼FL). The horizontal dimensions at the top specify widths for different parts of the frame. A dashed diagonal line across the door panel indicates the location of the glass. The BS51 handle is shown mounted on the edge of the door panel.
